

On Tuesday 27th June Beenleigh Garden Club hosted a Friendship Day. The theme for the day was The Phantom of the Opera. Twenty-four members and guests participated in the masquerade scene from the musical and entered the mask competition. It is fair to say that everyone who attended enjoyed the morning tea and lunch under the lit candelabra and in the presence of The Phantom and Christine. Everyone received a red rose hiding a chocolate hand made by President Linda Gillam. The floral art complimented the theme and our Floral Artists out did themselves.
