

STAFFORD GARDEN CLUB

Friendship through Gardening

9:30AM THURSDAY, 20TH FEBRUARY 2025

Our speaker for February is **Helen Rattenbury**. Her topic is “Upcycling in the Garden”. As well as being an expert on Geraniums and Pelargoniums, Helen has many novel and interesting ways of recycling plastic, glass and metal waste into useful and attractive objects.

Where: The OES Hall, cnr Kitchener Rd and Bohland St, Kedron.

When: The third Thursday of every month (Feb to Nov). We meet at 9.30a.m., to have a cuppa, buy from the excellent plant stall and view displays. Our meeting starts at 10 am.
