

**Queensland Orchid Society Inc.** is a local non-profit community organisation with members across Queensland, which are dedicated to the conservation, education and cultivation of orchids.

Founded in 1934, we have regularly held Autumn and Spring shows which attract considerable interest. We will be holding our 91st Autumn Show on March 29 & 30 2025, at the Brisbane International Shooting Centre, 1485 Old Cleveland Road, Belmont, Queensland. Opening hours are Saturday 8:30am to 3:00 pm and Sunday 8:30am to 2:00 pm. Entry fee is \$4 with children under 14 free.

There will be a large display of several hundred high quality orchids in the show, with prizes awarded. There will also be a large plant sales area with more than a thousand plants available for purchase, from local growers at reasonable prices. On top of this there will be floral art pieces available for purchase, orchid book sales and book giveaways, regular potting demonstrations, free cultural advice, drinks and meals.
